

ACTIVITIES at Land o' Lincoln

As a staff member you will be asked to teach one or more camp activities. You need to take an inventory of what your skills and abilities are so that you can organize and teach as an expert. Our goal is that each camper taking an activity can develop a relationship with the staff member, learn a new skill, improve an existing skill, be creative, and have fun!

Below are just some ideas to get you started. **Remember, we are at camp.** There are many activities that are more appropriate in a club setting.

➡ This is the activity that I feel that I can organize, lead and develop a camper's interest in:

I am skilled in this area because: _____

➡ The activity schedule changes as staff changes. Are there other activities that you can be prepared to lead?

➡ I am interested in the following activities, but I need to have further training to become an expert:
