WELCOME

At Camp Cedarbrook your camper will find fun, friends, food, and a fabulous staff ready to make your child's week at camp the best it can be. Land o'Lincoln Camp Cedarbrook is committed to three main goals:

- loving kids – everyone is welcomed, loved and accepted unconditionally
- sharing Christ – every part of the day, from start to finish, is focused on honoring God, sharing the message of salvation, and helping campers grow in their faith with Jesus Christ.
- exploring nature – From morning devotions to evening campfire, most activities are done in the great outdoors. Campers will gain appreciation for the beauty of God's creation, whether it be the gorgeous landscape, the amazing creatures, the vast expanse of the night sky, or each individual person they come in contact with during their week at camp.

We look forward to serving you and your child this summer!
