

SUMMER OF 2023 “TASTE OF CAMP”

for GIRLS and BOYS entering Grades 1-4

This **half-week** camping experience will allow our youngest campers to experience all of the fun of a Cedarbrook experience in a shortened time frame.

What will the campers “TASTE”?

LOVING KIDS

- *The joy of new friendships
- *The kindness of a caring counseling staff

SHARING CHRIST

- *The goodness of God’s Word, applied to their lives

- *The love of Jesus modeled by staff

EXPLORING NATURE

- *The beauty of God’s creation
- *A tasty meal cooked over the campfire

The campers will experience the excitement of learning new things about God’s creation and more about their own abilities, talents and interests as they enjoy camp activities. They will also gain an appreciation for others while belonging to a cabin group family. As they work, live, and eat together, they will learn to share with and care for each other. They’ll praise God together as they learn more about the love of Jesus.
